

Telephone Template

We're taking a step back in time and paying homage to the rotary dial telephone that has been making a comeback as vintage decor. Put a modern twist on this old-fashioned gem or stay true to its original character. We can't wait to see what materials and techniques you use to give this beloved piece of history new life. This card, created by Marge McGuire, of Prescott, Arizona, makes us want to phone our best girlfriend and invite her to an afternoon of fun. Ring, ring, ring ... your creativity is calling! Don't forget to include rubber stamping!
