A GIFT OF

Inspiration

Congratulations! You have been gifted a subscription to *Field Guide to Everyday Magic*.

The next four issues of this special workbook will belong to you and you alone. Do with it as you wish. We encourage you to toss it in your purse and pull it out whenever you need some time for yourself. Scribble all over the pages; glue pictures and cutouts; dog-ear the corners. It's been designed to hold up to a lot of love and attention.
