

tempting template

This flip-flop card was made by Linda Bachman using the template provided below. The center panel turns as you open the card, providing space for art and a message. You can see the potential this template has! We're looking for your version of this card no matter the theme. Surprise and impress us with your ingenuity and cleverness!

Absolute Deadline: February 5, 2003

Stamp Credits: Hero Arts & Personal Stamp Exchange

Enlarge or reduce card template to desired dimensions and cut out. Using an X-Acto knife, cut slits in card as shown. Score the folds as shown. Stamp, decorate and embellish the card with desired techniques.

You will find the box template published in the Oct/Nov 2002 issue online at www.stampington.com. Absolute Deadline – December 5, 2002
